

Leven Branch Community Engagement summary.

We're closing our Leven branch on 17 October 2024.

What you need to know.

In our Branch Review we've published details of this closure, how we can support you through the changes and other ways you can bank with us. You can read this at tsb.co.uk/our-branches

We've also written to customers who use this branch, to let them know about the changes. We always let customers know about these changes at least 12 weeks before the branch closure takes place. This makes sure we have time to talk with them about banking options, especially customers who require additional support with the closure.

As part of our Branch Review we've also talked with the local community about the impact of the closure and how we can help customers with this change. This summary explains who we contacted in the local community and any feedback we received about the closure.

Who we contacted.

We've shared key information on this closure with the members of the local community shown below. This included how customers' use of the branch has changed, what other TSB branches are nearby, and how we're working with the Post Office to provide other ways to bank with us. Visit tsb.co.uk/postoffice for more information.

- The office of the local MP, Wendy Chamberlain
- The office of the local MSP, Jenny Gilruth
- The leader of Fife Council
- The local councillors for Leven, Kennoway and Largo Ward
- The local Post Office
- The local Citizens Advice Service
- The local Federation of Small Businesses
- The local Chamber of commerce

What feedback we received.

TSB met with the MP and MSP to discuss concerns about the impact of the closure on vulnerable customers and the local high street. Both politicians made separate calls for TSB to deploy a pop-up in the town following the closure.

What we've done.

We explained that transactions at our Leven branch have declined by 47% over the last four years and we must respond to this change in customer demand. We also indicated that with the nearest branch in Glenrothes being only 7.6 miles away, we wouldn't consider introducing a pop-up in Leven as these are only deployed in communities where it takes significantly longer to get to the nearest branch.
